Landscape Design I - 310-1006 - Material List

You will need a smooth surface at least 18" x 24" to tape your drafting paper to as you create your hand-drawn designs. You can use a cutting mat, a smooth and well-sanded piece of plywood, a drafting table, or any other smooth surface.

Other materials you will need to complete the activities and assignments in this course include:

Paper

- One 12" x 50 yards of soft tone sketch paper, e.g., Sun-Glo, Gateway or equivalent for Architects, Engineers and Illustrators
- Any graph paper that is at least 11"x17" size. You may use two pieces of 8.5" x 11" graph paper taped together.

Drawing Supplies, Equipment and Rulers

- Soft eraser
- Scotch Magic tape
- 2H pencil (1)
- HB pencil (1)
- 1 felt tip pen 0.3 mm tip, e.g., Staedtler Pigment Liner, Sakura Pigma Pens, Ohto Graphic liner or equivalent. *
- 1 felt tip pen 0.5 mm tip, e.g., Staedtler Pigment Liner, Sakura Pigma Pens, Ohto Graphic liner or equivalent. *
- 1 felt tip pen 0.7 mm tip, e.g., Staedtler Pigment Liner, Sakura Pigma Pens, Ohto Graphic Liner or equivalent. *
- T-square
- Architect's imperial scale ruler that carries 1/8" = 1'-0"
- 45-degree Triangle; a grade school set is sufficient.
- Set of French curves; a grade school set is sufficient
- Circle combo template – 1/16" – 1 7/8" diameter OR a pair of compasses

*The goal is to purchase 3 different sizes of pens that show 3 different thickness of lines. You may also purchase tip sizes 0.5, 0.7, 1.0 mm or 0.3, 0.5 and 1.0 mm.

Purchase your supplies at your local stationery and or craft store. These supplies can also be purchased from an online retailer.

You can expect to pay \$120 plus taxes. The drawing supplies will be used in other design courses.

Scanning and Printing

This course will require students to print instructions and scan drawings at 8.5"x 11" and or 11"x17" size, for electronic submissions. If you do not have a scanner/printer that accommodates 11"x17" and or 8.5"x11" paper, you may need to use the services of a commercial business for scanning and printing. Be aware of these costs are not part of the tuition fees. Photographs and digital camera scanning apps are not acceptable.
